It would probably be best that you be on call - ususally the knowledge that you are available makes your presence unnecessary. Stu Weissman

ADA Weissman-

I'm writing to confirm that I received your request for subpoena for the [REDACTED] case scheduled to go on November 3, 2009, and that I am available. However, there is no mention ofv. what time you will be needing me there. I know that most summons say 8:30, but as we both know, court isn't even open yet. So, do you want me there at 8:30 anyways, or should I show up at a set time later in the day, or would you prefer to have me on call? Thank you for keeping me informed.

Respectfully,

Sonja Farak (Drug Analysis Lab)
